**Re: Cooperation CAFRAD / EUCLID**

August 29<sup>th</sup>, 2008

Dear Dr. Lelo,

*The Secretariat General of EUCLID presents its compliments to the Administration of CAFRAD.*

I would like to acknowledge receipt of your letter GE.3/1/1580 and to express similar sentiments concerning our cooperation.

(1) The Secretariat has revised the MOU in accordance with all your suggestions, and we fully agree with them. On this basis, I have applied my signature to the MOU and am pleased to forward the same to you for your approval.

(2) After discussing scheduling issues with Pr. Cleenewerck and Pr. Azad, I better understand the constraints as well as CAFRAD's desire to move quickly on the website redesign project. Knowing that Pr. Cleenewerck was fully trained by the consultants or firms used in the past, I am confident that the best way to maximize the benefits of your IT officer is to have him setup the cross training seminar in Washington DC as soon as his personal schedule will allow, which should be October or November 2008. pressing request of the Prime Minister of the Central African Republic to rapidly deploy an official website for his government is also a timing factor, but you are assured of our commitment to assist CAFRAD with this important project as soon as possible.

(3) In passing, I note that EUCLID has fairly good high level relations with the government of Uganda and would be willing to suggest CAFRAD membership to the Ministry of Foreign Affairs in the future if this would be of interest to CAFRAD.

With most sincere regards and hopes for a long term and mutually beneficially cooperation, I remain ;

Sincerely yours.
